## NOTE IMPROVEMENT IN THE LEAF TRADE

### JANESVILLE TRANSACTIONS INCREASE IN VOLUME.

Some of the Recent Sales Reported—Janesville Leaf Exhibit to Go to the Berlin Exposition—G. A. Proctor's and Jacob Drapkin's New Venture—Other Weed Talk.

The Janesville Leaf says there is a slight improvement noticeable in local market conditions, there being an increase in the value of transactions of both old and new goods. A fair amount of attention has been given to '93 and '94 and to old fillers, there being a half dozen leaf men after desirable lots of these goods at prevailing figures. The demand for '95 seems to be picking up some, Geo. H. Rumrill having picked up over 100 acres during the past two weeks. Soverhill & Porter and Joseph Grundy are also taking hold, as are a few others in a mild way. J. M. Thayer is this market for '95 at from 14 to 21 cents.

Some Sales Reported.  
Among the larger transactions reported are 104 cases '93 sold by Geo. H. Rumrill; 65 cases of '93 and '94 bought and the same number of cases '93 and '94 sold by J. M. Thayer; 25 cases bought by A. N. Jones; 17 cases '92 bought by Rudolph Haviland & Son. Robert Erler has purchased several small lots of '94.

The following sales of '95 are reported:  
John Wolfgram, 3 acres at 3 cents; D. Zuil, 3 acres at 3 cents; A. Schultz, 4 acres at 3 cents; H. B. Johnson, 4 acres at 3 cents; John Hunner, 4 at 4-1 cents; L. Cronin, 1 acre at 3-1 cents; F. Berg, 5 acres at 3 cents.

Those of our dealers doing a retail trade report no change in the demand.

Send Exhibit to Berlin.

The enterprising firm of Rudolph, Haviland & Son are preparing a package to be sent to the Berlin tobacco exposition. Janesville Men at Chicago

Under the firm name of Jacob Drapkin & Co., Jacob Drapkin and G. A. Proctor, both of this city, have opened a leaf tobacco house at 79 West Madison street, Chicago, and will keep a full line of Sumatra, Havana and domestic cigar leaf tobaccos. The new firm is located in the midst of a large cigar manufacturing district and will cater to the needs of the local trade for the present, and will call on the outside trade as their business grows. Mr. Drapkin will act as salesman, while Mr. Proctor will devote his attention to the office and shipping departments.

## Laces and Veilings

Trifles light as air, yet with a price weight that makes them heavy enough unless you look before you buy. You pay a smart price some places for the same laces you can get here at a fair price. We don't ask a fancy price for a veil simply because it is fashionable or a new mesh; a conscientious dry goods profit is on all of these goods; a fair price is all we ask, no more. Our new showings are marvels of beauty. Matched sets in Valenciennes, lovely things. The new embroidered batiste insertions in white, ecru and linen. All over embroidered batiste in linen color. Vals. in linen shade. 50 pieces of handsome laces at moderate cost.

A new skirt to match your old waists means nominally a new dress so far as street wear is concerned. It's a simple way of settling the question of what to wear 'till the new spring gowns are ripe; take a look at our skirts, see if they meet your notion of a good thing to piece out your wardrobe.

## Carpets

It is scarcely the thing to go into rhapsodies over the beauty of our new carpets. You might call it silly to speak of style in connection with commonplace floor coverings that you tread under your foot. Maybe you are right. We will confine ourselves to their goodness, their wearing qualities, the variety and low price. We leave style and beauty for you to discover, and you'll do it, you'll talk about them.

FRED TUCKER FIGHTS MACHINE  
Turns on the Bosses and Is Indorsed By  
Good Citizens

Fred J. Tucker of Chicago, son-in-law of Captain and Mrs. W. T. Van Kirk, is waging a vigorous war on the somewhat famous "Cook county machine" in his fight for the republican nomination of assessor of the town of Lake View. Last night's Evening Post devotes a column to Mr. Tucker's defense and says:

"The final smash up of the Perseus Hertz machine in Lake View is all but complete. Tomorrow's primaries will finish the business. Assessor F. J. Tucker, who was the strong right bower of the machine in its fight against political honesty in the memorable Boyce defeat, has thrown off allegiance to its dictation. A year's experience in the position of assessor, at the mercy of the ringsters whom the machine bosses foisted on him as subordinates, has been as much as Mr. Tucker cares to stand. As a candidate for re-election he is willing to stand or fall on the question of running his office in the interests of the people who pay taxes, which he proposes to do as against running it to suit the policy of the machine bosses."

The good citizens of Mr. Tucker's district have issued a circular urging his election which is signed by a committee of nineteen. The fight is an interesting one, and the primaries held today will decide it.

MR. AND MRS. HANSON ENTERTAIN

Light Infantry Members Guests of Honor Last Night.

Captain and Mrs. C. H. Hanson entertained the members of the Janesville Light Infantry at their home last night, after the regular drill at the Armory. The company trooped into the Hanson residence wearing their uniforms and overcoats. Two of them carried mysterious looking packages, that proved to contain a handsome banquet lamp and silk shade and an elegant onyx table. That Captain and Mrs. Hanson appreciated the gift, goes without saying, and it will be one of the most valued of their wedding presents. Wedding cake, coffee, fruit and cigars were served, and the evening was spent very enjoyably. Captain Hanson introduced his bride to each member of the company, and a social hour followed. Before leaving the company formed in line, and gave the "company yell" with a vigor that shook the house. The occasion was an exceptionally pleasant one for all concerned.

## DIAMOND GARMENT CUTTER

A New School For Janesville Ladies.

The Diamond Cutting company of Chicago, are yet preparing to open a dress making school in this city. While this is a business of its own, like other things it requires a little time to get matters righted so the company can carry out their plans in a systematic way. Messrs. DeHaven and Higgins, who are the managers of this field, are very careful, studious business men and intend to open the school room as soon as the proper development of the work demands. All doing business with these gentlemen will find them honorable in every respect. This school is for the benefit of all who attend and apply themselves to the work. The popularity of the diamond system has increased so rapidly it has been a great effort to get help to carry on the business. It will be the leading cutter of the United States if the company can get help to place it in the different cities. He has been introduced in many states, but yet the demand is greater than ever before.

We cordially invite everybody of Janesville to thoroughly investigate this system, and she will find there is not a garment worn that we do not cut.

There is a great saving in the home when the wife can cut, fit and finish any garment she wishes. With the use of this system a lady can cut patterns enough to bring her a good income, for every kind of a gown worn can be cut from a lady's riding habit to the most simple gown of dress reform; from the swell dinner gown to the plainest house dress.

The Mrs. Annie Jenness Miller costumes are cut with perfect satisfaction. Also many others, namely—the labor gown, the Eugenie gown, the Annette gown, the Louise practical gown, the tourist's comfort gown, the Priscilla gown, the modified empire gown, the bicycle costume, the ladies' divided skirt, ladies' and children's union suits, aprons, dust caps, etc. Many ladies who have taken up this system are able to make the wraps for the family, and this of itself is a money saver. It is a qualification that any lady should feel proud of, for it is one branch of education due the mothers and daughters of this country.

In order to have a good fitting gown you must have your work based upon some system that is strictly accurate, and which has a range that comprises everything that is worn. In connection with this luxury—for we do say it is a luxury, of the age—we are taught basting and pressing; and this is a very important feature—even in common, every-day home sewing. The knowledge you gain by attending this school will save you time, worry and money, for years to come.

Messrs. DeHaven & Higgins will be in the city for some time with the Diamond Garment Cutting force, and the school will be conducted in a first-class manner. For all who cannot possibly attend this school room, arrangements will be made to teach them at home. The managers intend locating the school as centrally as possible. It will be easy to get the room so that all will be easily accommodated, and not discommode themselves. We hope the ladies of Janesville will find the managers and teachers all they should be and the instructions what they expect and what we have promised. Our teachers take pride in thorough work, and all who apply themselves are more than satisfied with cutter and the instructions they received.

Don't invite disappointment by experimenting. Depend upon One Minute Cough Cure and you have immediate relief. It cures croup. The only harmless remedy that produces immediate results. C. D. Stevens.

## TWO WEDDINGS AT CLEAR LAKE

Olson—Corless, and Green—Balch Nuptials—Other Happenings

Clear Lake, March 13—Wedding bells have been ringing quite briskly this week. On Tuesday evening Miss Gertrude Corless and Oscar Olson of Delavan, were married at the home of the bride's parents, only a few of the relatives being present. They will go to housekeeping at Delavan, where the groom is engaged in farming. The wedding was a great surprise to the community. The marriage of Miss Lona Balch and Harry Green occurred last night. In spite of the cold nearly every one responded to the invitations issued. About seventy-five invitations were issued. Miss Ida Jackie expects her mother, brother and his wife over from Germany. Her brother is to be married and then start for this country as his future home. Charles Deedwick is very low with consumption, at the home of his parents, and is not expected to live long. Charles is a young man and is well known around here. Mr. and Mrs. George Buten visited Mr. and Mrs. Stockman last Wednesday.

## BURNS' SHARON STORE CLOSED

Janesville Dry Goods Dealer Moves the Stock to Clinton.

The Sharon Reporter says: "T. P. Burns of Janesville, who has been conducting a dry goods store in D. G. Morris' new store, boxed up the stock and moved it to Clinton, where he will place it in the H. G. Church store, where he bought the remaining stock of Mr. Church, the latter having discontinued business. Mr. Burns did a very satisfactory business here, and it is not for the lack of trade that he discontinued business, but on account of sickness of his manager, J. D. Smith. Our people are well satisfied in the manner Mr. Burns conducted his business, and are sorry to have him move away."

## MANY THOUSANDS

Whereby Nine-Tenths of the American People Will Be Benefited.

## A Brief Account of It.

A man or woman with perfect digestion, the result of a healthy stomach, has no need of a nerve tonic to bring sleep, nor sarsaparilla to purify their blood, nor cod liver oil and pre-digested foods to make them fat. Why? Because a sound stomach perfectly digests the food, making pure, rich blood, steady nerves, sound sleep and all the healthy flesh a person needs to carry.

Dr. Bostwick recently stated that anyone out of health, nervous, sleepless, run down in flesh, with poor appetite, not knowing just what was the matter of them, should look to their digestion, to the stomach, and there would find the secret of the whole trouble. He says nine out of ten will have no nervous troubles, no impure blood, no weakness anywhere when the digestive organs do their work properly. To cure indigestion and dyspepsia he never advises "sarsaparilla," "stomach bitters," "pre-digested food" or any other secret patent medicine. He says the best thing, the safest and surest cure is Stuart's Dyspepsia Tablets, because they are composed of vegetable essences, fruit salts, pure pepsin and bismuth and will cure dyspepsia in every case if taken persistently and regularly. Some of the cures made by Stuart's Dyspepsia Tablets are little short of miraculous.

Mrs. Charlotte Lane, of Ransomville, N. Y., writes: "I have taken only one 50-cent package of Stuart's Dyspepsia Tablets and am almost astonished at results, they have benefited me so greatly. I have always understood that dyspepsia was incurable, but now know it can be cured, for I am fully satisfied with what they have done for me. I can eat and enjoy my meals a great deal better and feel better in every way and have only used one package."

Mr. J. O. Wondly, of Peoria, Ill., writes: "I was unable to eat anything but the plainest food, and even that often distressed me, but since using one box of Stuart's Dyspepsia Tablets I can eat anything and everything I want."

Mrs. Samuel Kepple, of Girty, Pa., writes: "I have been entirely relieved of my stomach troubles by your Tablets. I suffered three years with sour stomach and gas at night. I am thankful for them."

Mrs. A. E. Bowen, of Girty, Pa., writes: "I think Stuart's Dyspepsia Tablets are the best thing for dyspepsia I ever took. I will recommend them to anyone troubled as bad as I was."

Although a new remedy, yet its remarkable success in all kinds of stomach troubles has practically settled the question that it is the best and safest remedy that can be used for weak or disordered digestion.

It is prepared by the Stuart Chemical Co., Marshall, Mich., and for sale by druggists everywhere at 50 cts. per package, thus placing it within the reach of everyone wishing to give a remedy so highly commended a fair trial.

Republican Congressional Convention.

A republican convention for the First congressional district of Wisconsin will be held in the G. A. R. hall, in the city of Beloit, Wisconsin, on Tuesday, March 17, 1896, at 11 o'clock a. m., for the purpose of electing two delegates to the republican national convention to be held in St. Louis June 16, 1896, and two alternates, and also to nominate a candidate for presidential elector, and the transaction of any other business that may properly come before the convention.

Each assembly district will be entitled to one delegate for every 250 votes cast for the republican candidate for president in 1892, and an additional delegate for a major fraction. The several assembly districts will be entitled to representation in the convention as follows: Green, 9; Kenosha, 7; Lafayette, 9; Racine, 1st district, 9; 2d district, 7; Rock, 1st district, 9; 2d district, 8; 3d district, 7; Walworth, 1st district, 7; 2d district, 8.

A. H. KRUCKMAN,  
W. W. CHADWICK,  
A. O. CHAMBERLAIN,  
W. G. DERTHICK,  
Committee.

## NO TRADING STOCK.

About one-sixth of the delegates to the republican national convention have been chosen, and almost half of these have either been instructed for McKinley or are generally believed to favor him. As these delegates represent all sections the proportion for McKinley is likely to continue to the end.

The drift may possibly change between this time and the date at which the last of the delegates are elected. Things like this have happened but at present Ohio's favorite son has a very comfortable lead.

Rock County will do her best to increase that lead. The delegates named at the county convention cannot more fairly express the wishes of the county than by voting in Milwaukee and Beloit for iron-clad instructions. The Wisconsin delegation should not be "trading stock" this year.

Senator Sherman displayed common sense when he said of the adverse criticism of his Cuban speech by the Spanish minister at Washington: "I do not care to engage in a controversy with Mr. De Lome, whom I know, and whom I esteem as a gentleman. He is here to represent the Spanish government, and he is entitled to the privilege of making the best showing for that government in its present unfortunate situation of which he is capable."

Consistency is forgotten by the church people and peace advocates who want the United States to make an armed demonstration against Turkey in behalf of the Armenians.

Spanish students may yell "Death to the Yankees" until they are out of breath, but the Spanish government will never have an occasion to set up a Yankee burying ground.

It is regrettable that the United States senate does not recognize the right of Americans to better times, by passing the House tariff bill.

If Mr. Syndicate Morgan charges the B. & O. R. R. as much for his aid as he did Mr. Cleveland, the poor stockholders are to be pitied.

Congress has carried Mr. Cleveland to the Cuba trough, but whether it can make him drink, is yet to be decided.

General debility is now in complete control of the democratic party, and general defeat is awaiting it.

The democrats might secure a candidate by offering a good sized purse for the right sort of a man.

Wanted—A Moses, experienced in leading disorganized forces. Apply to the democratic party.

## DON'T POISON YOURSELF.

Food is Poison If Allowed to Ferment in Your Stomach.

Putrid food contains poisons so dangerous that they cause effects similar to alkaloids which druggists are not allowed to sell to the public.

No wonder so many of us become dangerously sick from indigestion.

For what is indigestion?

It is putrid (undigested) food in the stomach.

The poisons of undigested food are absorbed into the blood, and affect the liver, the nerves, the kidneys, the heart and all the organs of the body.

They cause weakness, lethargy, headache, dizziness, mental depression, bad taste, stomach-ache, fever, flatulence, palpitation, nausea, constipation, loss of appetite, jaundice, prostration, anemia, rheumatism, etc.

They can be got rid of only by helping the stomach to digest its food, and this is done by the Shaker Digestive Cordial.

You will never be strong or healthy so long as you suffer from indigestion, so long as you allow your stomach to taint your system with the poisons of putrid food.

And, as for a cure, nothing will cure you so quickly as Shaker Digestive Cordial, nothing so certainly relieve your pain and discomfort, or give you new strength, energy and endurance.

## OLD ROCK IS SOLID FOR THE OHIO MAN

### ENTHUSIASTIC MEETING OF COUNTY REPUBLICANS.

The Air Full of McKinley Sentiment And Delegates Are Requested to Do Their Best for the Buckeye Candidate—Delegates to the State and Congressional Convention.

Ringed McKinley resolutions were adopted by the county convention this afternoon.

Delegates to the state delegate convention in Milwaukee March 18 and the first congressional district delegate convention in Beloit, March 17, were named as follows, assembly districts being divided according to the old apportionment:

**First District.**  
State—J. C. Devereaux, J. K. P. Porter, Wallace Andrews, George Whitmore, D. Mow, A. Eager, John Huntley, E. F. Hanson, L. W. Kendall.

Congressional—A. J. Snyder, Charles Taylor, H. Bartlett, C. Scofield, L. S. Moseley, L. H. Parker, Ira Cleophas, E. H. Sharp, H. W. Ford.

**Second District.**  
State—W. W. Clarke, Henry Tarrant, Cham Agnew, C. W. Merriman, R. C. Inman, O. Gates, C. H. Weirick, J. E. Humphrey.

Congressional—W. A. Mayhew, G. H. Crosby, Volney Wood, C. B. Salmon, C. W. Merriman, P. Marquart, W. H. Gray, W. O. Newhouse.

**Third District.**  
State—W. S. Heddles, O. R. Pomeroy, George Barker, W. G. Wheeler, W. T. Vankirk, S. B. Heddles, A. H. Sheldon.

Congressional—T. B. Earle, C. E. Langworthy, A. L. Gage, O. F. Nowlan, H. F. Bliss, N. E. Fredericks, C. S. Jackman.

O. F. Nowlan was elected chairman of the delegation to the congressional convention.

The convention brought a most solid and influential body of the straight republican kind.

Chairman W. T. Vankirk of the county republican committee, called

WILLIAM McKINLEY.  
[Rock County's Choice.]

the convention to order and read the call. C. E. Lee of Evansville, was elected chairman; W. W. Clarke of Milton, secretary, and E. F. Hansen, assistant secretary. Almeron Eger, E. F. Hansen, S. C. Carr, W. A. Mayhew, O. F. Nowlan and W. S. Heddles were made a committee on credentials and reported the list of delegates as follows:

**Janesville Town**—B. L. Gage, G. R. Barker, Turtle—C. H. Weirick, G. H. Crosby.

**Beloit Town**—L. S. Moseley, Magnolia—C. O. Howard, Wallace Andrews, A. Broughton.

**La Prairie**—Henry Tarrant, Guy Wheeler.

**Clinton Village**—W. A. Mayhew, G. C. Babcock, G. W. Earle.

**Harmony**—Wilson Martin, W. H. Gray.

**Lima**—Fred Gould, W. G. Alexander, J. D. Godfrey.

**Bradford**—R. J. Inman, James Winegar.

**Porter**—J. K. P. Porter, Alex. White, W. M. Tolles.

**Center**—F. A. Vankirk, G. W. Whitmore, F. C. Schroeder.

**Newark**—H. Cleophas, E. H. Smythe, John Bartlett, K. O. Rostad.

**Rock**—J. B. Humphrey, M. A. Hayner.

**Plymouth**—A. J. Snyder, H. M. Fitch, J. P. Smiley.

**Fulton**—O. R. Pomeroy, George Coxhead, C. E. Langworthy, H. H. Brace.

**Edgerton**—T. B. Earle, G. H. Metcalf, A. McIntosh, W. S. Heddles.

**Clinton**—W. O. Newhouse, S. Cooper, O. C. Gage.

**Johnstown**—Volney Wood, James Hadden.

**Spring Valley**—O. P. Gaarder, B. M. Johnson, D. Mow, N. N. Palmer.

**Union**—R. H. Brink, J. C. Devereaux, B. W. Hubbard.

McKinley enthusiasm was manifested in each group.

Resolutions calling for the choice of a county committeeman from each town at the regular republican caucuses, were adopted without dissent. The committee thus made up is to elect its own chairman and secretary.

P. C. Wilder of Evansville, moved that the convention express its sentiments on the presidential question, a suggestion that met with general favor. W. A. Mayhew's reference to McKinley was received with cheers.

There was some objection to the instructing of delegates and O. F. Nowlan said he thought instructions might be superfluous as nobody could be named as a delegate from Rock county who would listen to any anti-McKinley talk. The convention applauded twelve different McKinley resolutions and cheered as this one was adopted:

**RESOLVED**, By the republicans of Rock county in convention assembled, that we earnestly desire the nomination of William McKinley for president of the United States.

While the committee on resolutions were at work W. G. Wheeler was called on as the "oil-er tongued orator of Janesville" and made a few stirring suggestions regarding the coming republican triumph.

### REPUBLICAN WARD CAUCUSES.

The Men Who Sat in Today's Convention Were Chosen.

The republican ward caucuses were held last night, and resulted as follows:

**First Ward**—Judge J. W. Sale chosen chairman and Silas Hayner secretary. Delegates—James A. Dennison, Oscar D. Rowe, James Shearer, W. H. Merritt, Walter Rice, David Conger and F. S. Lawrence.

**Second Ward**—Fred L. Clemons chosen chairman and C. L. Valentine, secretary. Delegates—Oscar F. Nowlan, Charles L. Valentine, Clinton D. Child, W. T. Vankirk and C. H. Kueck. On motion of C. L. Valentine the delegates were instructed to vote for such delegates to the state convention as were favorable to the nomination of William McKinley for president.

**Third Ward**—W. J. McIntyre chosen chairman and H. S. Sloan secretary. Delegates—J. L. Bear, W. G. Wheeler, C. S. Jackman, John Cunningham, George Hanthorn, A. M. Carter and Sam M. Smith.

**Fourth Ward**—W. H. H. Maclean chosen chairman and H. F. Bliss secretary. Delegates—H. F. Bliss, E. J. Green, A. H. Sheldon, W. G. Palmer and W. H. H. Maclean.

## HILL WINS THE SUIT AGAINST DR. MINER

### JUSTICE RICHARDSON GIVES HIM A JUDGMENT.

Brought An Action to Recover \$61 for Services Rendered While in the Employ of the Doctor—Counter Claim For Medical Attendance and Breakage of Articles.

Justice M. P. Richardson today announced his decision in the case of Robert Hill against Dr. Clark A. Miner, and gave the plaintiff a judgment for \$53.75 and \$10.40 costs.

Hill is a printer, but had been employed by Dr. Miner, off and on, for two years, his work being of a general nature, such as taking care of the cow, giving baths, and making himself useful in various capacities. Hill's wages were to be ten dollars a month and board. When Dr. Miner closed his hospital, Hill was out of a job, and claimed that he had not been paid in full, and that some sixty dollars was yet due him. He also claimed that there was a verbal agreement between them that he should receive one shilling for each bath he gave.

The defendant put in a counter claim for medical attendance and also for the breakage of certain articles. F. C. Burpee appeared for Hill, and Malcolm O. Mount for Dr. Miner. Justice Richardson's decision gave Hill \$53.75 and assesses the cost to Dr. Miner making \$64.15, which the doctor will have to pay. The decision recognizes the agreement as to Hill's pay for baths, and also his claim for back wages.

A new time table for the street railway has been made out, and will soon be submitted to Owner Blabon. It is the intention when the line is put in operation, to meet the incoming trains and also to have the cars on time at the noon hour when the public needs them. An important move is now being considered, whereby no more "noon hour rests" will be taken by the motormen. It has been the custom to hold the car twenty-five minutes every noon, while the motorman finished his dinner.

## ATHLETES TO MEET IN COMPETITION

### Y. M. C. A. MEN TO APPEAR IN IN PUBLIC.

Best Performers in All Classes Are Being Watched By Director Keesler, With the Idea of Getting the Most Skilled On the Association Team.

Physical Director Keesler is watching the members of the various Y. M. C. A. classes with an eagle eye, these days, because a grand public exhibition by the best athletic talent, will be given on or about May 1, and the best men in all grades will compete. It has been the custom of all the associations to show the public just what they can do in their gymnasiums, and the local association will follow this precedent. Physical Director Keesler therefore is watching the work of both the men and the boys. Those having the best records in their different classes will be selected for the exhibition work, and will then be drilled privately by Director Keesler for two weeks previous to their public appearance.

"We intend to charge an admission fee for this exhibition," said Secretary J. O. Kline, "and the program will probably consist of about twelve different numbers."

The association will make cycling the chief outdoor sport this summer and it is the intention to put a club in the field.

"We expect to outclass all previous efforts in the cycling line this summer," remarked one of the promoters of the idea, "and we expect to have a club of one hundred and fifty members."

### He Owns a Third of London.

"As rich as the Duke of Westminster" is a hackneyed expression in England.

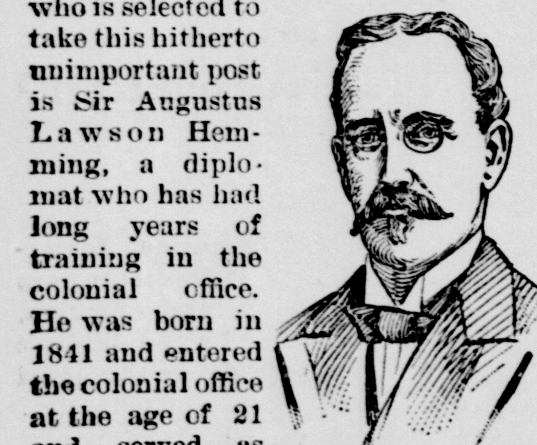

It is no empty phrase either, for the owner of the title is, without doubt, the richest man in the British empire, and many claim that he is the richest man in the world. His fortune really amounts to something over \$175,000,000. He practically owns

DUKE OF WESTMINSTER, a third of London. His third consists of mansions and business blocks in the fashionable section, and he has been called "The Landlord of the West End." The dwellers in more than 1,000 handsome residences there are his tenants. His income ranges from \$4,000,000 to \$5,000,000 annually.
